

**Nouman Mastery  
Image & Thumbnail Generator  
User Guide**

## **Step 1: Photo Option**

Tool aapse poochega ke aap apni photo use karna chahte hain ya nahi. Photo upload karne par har image me aapki photo aur different pose use hoga. Agar photo use nahi karte to AI graphic generate karega.

## **Step 2: Niche Selection**

Aap apna niche select karein ya manually type karein.

## **Step 3: Image Generation**

Tool automatically topic ke hisaab se image aur text generate karega.

## **Tool Access**
